Summary

Operations generalist with a track record of improving service quality and streamlining back-office workflows across retail and logistics teams.

Relevant Experience

Operations Coordinator, Brightline Retail Group

Mar 2022 - Present

Austin, TX

- Cut order-processing time 28% by redesigning the daily fulfillment queue across three warehouses.
- Led a 6-person cross-functional team through a vendor migration with zero shipment downtime.
- Built a weekly KPI dashboard adopted by 4 regional managers to track on-time delivery.

Logistics Analyst, Cedar Freight Co.

Jun 2019 - Feb 2022

Dallas, TX

- Reduced annual carrier spend by \$310K through a competitive rate-renegotiation cycle.
- Automated a manual reconciliation report, saving roughly 10 hours per week.

Customer Service Experience

Senior Support Specialist, Maple Tech Helpdesk

Aug 2017 - May 2019

Remote

- Maintained a 96% customer-satisfaction score across 1,200+ resolved tickets per quarter.
- Trained 8 new agents and authored the team's first escalation-handling playbook.
