

Jane Smith

Springfield State University · jane.smith@example.com · (312) 555-0123

OBJECTIVE

Junior software developer seeking a full-time engineering role focused on backend infrastructure and developer tooling.

EDUCATION

Springfield State University

B.S. Computer Science · Expected May 2026 · GPA 3.6

Relevant coursework: Operating Systems, Distributed Systems, Compilers, Algorithms.

ON CAMPUS INVOLVEMENT

Computer Science Society, Springfield State University

Vice President · Aug 2024 – Present

- Coordinated a weekly speaker series with twelve invited industry engineers over two semesters.
- Organised a hackathon with 180 participants from four nearby universities.
- Doubled active membership from 65 to 130 over one academic year through outreach.

VOLUNTEER EXPERIENCE

Code for Springfield

Volunteer Engineer · Jan 2024 – Present

- Built a transit-time visualisation tool for the city open data portal in Python and Leaflet.
- Reviewed five pull requests per week from new contributors during weekly office hours.

INTERNSHIPS

Acme Corp

Software Engineering Intern · Jun 2025 – Aug 2025

- Implemented a metrics dashboard for an internal service handling 4 million requests per day.
- Reduced a slow test suite from 22 minutes to 8 minutes by parallelising assertions.

PROJECTS

tinydb — Embeddable Key-Value Store

Personal project, 2025

- Built a single-file embeddable KV store in Rust with LSM-tree storage and 320k ops/sec on commodity hardware.

SKILLS

Rust, Go, Python, TypeScript, PostgreSQL, Linux, Docker, AWS, Git.
