SUMMARY

Product designer with eight years shipping consumer mobile and web experiences, from research through high-fidelity delivery and handoff.

EXPERIENCE

Northwind Labs — Senior Product Designer

Jan 2021 - Present

- Led redesign of the onboarding flow, lifting activation 18% in two quarters.
- Built and maintained the cross-platform design system used by 30 engineers.

Brightside Studio — Product Designer

Jun 2017 - Dec 2020

- Designed three mobile apps from concept to launch on iOS and Android.
- Ran weekly usability sessions and turned findings into shipped changes.

EDUCATION

State University — B.F.A. in Graphic Design

2013 - 2017
