Education

San Jose State University

B.S Business Administration/Management

B.A. Japanese

Expected Graduation: May 2027

Kwansei Gakuin University

Study Abroad in Japan

-including courses taught in Japanese

Sep 2024 - July 2025

Projects

Revenue Forecasting Project

2025

- Collected company revenue from past four years using data from 10-K and 10-Q
- Used five different forecasting methods—MA3, Weighted MA, Exponential Smoothing, Linear Trend, and TAF—on deseasonalized and reseasonalized revenue data
- Identified the most suitable method through a comparison of average forecasting error among all methods

Global Entry Strategy Evaluation Project

2025

- Evaluated multiple countries' market potential through extensive research on several opportunity and risk factors and presented findings using a market-penetration grid
- Identified country and firm specific advantages and presented findings in a CSA/FSA matrix

Experience

Docent, Library Collections Assistant | Japanese American Museum of San Jose May 2023 - June 2024

- Represented and promoted the museum at community events.
- Completed library collections inventory, identified 12% of the collection to be longstanding missing items
- Conducted tours for museum guests from a variety of backgrounds, explaining exhibits and informing them of resources

After School Counselor | YMCA

Sep 2022 – April 2023

- Created and carried out curriculum in Math, English, Art, and Science
- Supervised 25+ students in after school activities and homework completion
- Created a supportive environment for program participants.

Activities

Discussion Group Facilitator

Aug 2025 – Present

- Planned meeting agendas and material for 20+ meetings
- Led and moderated discussions, creating a welcoming environment for participants
